## **PRINCIPLES**

***Moral Values that set a standard for behavior  
and attitude within our workplace.***

- Communication will always be open and honest.
- Collaboration across departments, vendors, candidates and team members will be fostered.
- Attempt to know all employees for cohesion and inclusion.
- Create a work culture that supports our business goals.
- Always act in the best interest of our clients, candidates and staff.
- Treat everyone with respect and dignity.
- Persevere in the face of challenges and encourage others to do so.
- Do the right thing, every day.
- Invest in people!
- Create value for our clients and build lasting relationships.
- Earn and keep credibility and trust with all clients and candidates.
- Lead with transparency.
- Work safely, respect the environment.
- Shape the future
- Be remarkable, fearless and always fair!
